

Building Control

We are:

- An Approved Inspector providing an alternative to Local Authority Building Control

Why us:

- One of the largest Approved Inspectors
- Established in 2001
- Excellent reputation
- Competitive fees
- Local Building Control Surveyors
- Online quotation and application facility

Call our head office today on **01892 891282** and speak with one of our surveyors to find out how we can help **you** with your building project.

The benefits of using BBS Building Control as your Approved Inspector...

- ✓ We work with private clients, design teams, builders and contractors at a very early stage to help avoid Building Regulations problems – saving time and money from the outset;
- ✓ We provide real consistency of advice that doesn't change over borough or county borders;
- ✓ Fast and reliable service – for plan checking and inspections;
- ✓ A member of our surveying team is always on hand to deal with any queries that may arise;
- ✓ BBS employs experienced and qualified Building Control Surveyors;
- ✓ We are regulated and monitored by the Construction Industry Council
