

Energy Saving Opportunity Scheme (ESOS)

What is ESOS and who is effected?

ESOS is a **mandatory energy assessment** scheme for 'large' UK organisations. The qualifying criteria can be complex, but put simply, if an organisation has **more than 250 employees** it is highly likely that it has a requirement to carry out and submit an ESOS assessment

Why BBS?

BBS Environmental is a leading provider of environmental assessments, specialising in the energy efficiency of buildings. We have a strong track record in delivering meaningful and tailored advice to clients with varying requirements. We can guide you to ESOS compliance, with the added benefit of recommendations to reduce energy costs and ultimately help boost efficiency and competitiveness.

every 4 years. The first assessment must be submitted by 5th December 2015.

Assessment Criteria

An ESOS assessment must consider the entire energy used by an organisation over a 12 month period, from buildings, transport and commercial processes. It must identify the areas of significant energy use and outline cost-effective recommendations for energy efficiency improvements.

Act Fast

If an organisation qualifies for a mandatory ESOS energy assessment, and compliance is not reported by 5th December 2015, then the government has the power to enforce significant fines.

Compliance

The ESOS assessment must gain board level sign off and be verified by a Lead ESOS Assessor. The Lead ESOS Assessor must report compliance to the Environment Agency by **5th December 2015**.

Everything under one roof

- ✓ Leading Approved Inspector providing Building Control for all types of building project as the alternative to Local Authority Building Control
- ✓ Nationwide coverage with 5 Regional Offices
- ✓ Highly Competitive Fees
- ✓ Online Quotations and Application facility

- ✓ **Part L Compliance**
SAP Calculations
SBEM & DSM Calculations
EPCs Domestic & Commercial
- ✓ **Building Assessments**
Code for Sustainable Homes
BREEAM Assessments
ESOS Assessments
- ✓ **Compliance Testing**
Air Pressure Testing
Sound Testing
Planning Assistance
Thermal Modelling
Thermal Bridging
Thermal Imaging
Fee Quotation

- ✓ CDM Co-ordinator
- ✓ Health & Safety Consultancy
- ✓ Site Quality Auditing

- ✓ Party Wall Surveying Services
